Here's how to access the survey:

1. Open the United Women in Faith web site by entering https://uwFaith.org in your web browser.
2. Click on MEMBER LOGIN. (You may need to click twice if the Assembly announcement is displayed.)
3. Enter your login information. If you have not yet created an account, you may need to do so in order to login and access the survey.
4. When you login, you should be presented with the Members & Leaders Portal page. You will see a list of Quick Links to the right side of the page, followed by some links in colored backgrounds. The fourth one down, in green, is the link to the Unit Survey. Click on it.
5. The unit Survey page will be displayed with links in orange for the Jurisdictions above and below the information that National would like for you to be aware of about the survey. The next to the last paragraph of this information contains a link to the sample survey. Click on this link.
6. You will now be able to view and print the sample survey. It is strongly suggested that you use the sample survey to be certain you have collected the information from your unit members that will allow you to accurately complete the survey.
7. You can use the back arrow on the sample survey page to return to the survey page or close the tab with the sample survey and once again select the Unit Survey link on the portal page.
